

### Mathematics: Year 5

We will be leaning about position and direction. This will consist of reflecting and translating shape and coordinates. We will then go on to develop our knowledge of measure by learning how to convert measurement.

### Mathematics: Year 6

We will be working on our problem solving skills and statistic knowledge this year - pie charts and line graphs in particular.

### Computing and PE

In year 5 and 6 we are learning about Artificial Intelligence and Virtual Reality and how these are used to create virtual worlds and maps. Year 6 will be looking in particular at speech recognition.

In PE, part of each lesson will include Real PE, which teaches physical literacy skills. In the sport specific part of PE this term, the children will be taking part in cricket and athletics.

### Curriculum enrichment:

Throughout the term, the children will be focusing on the upcoming Summer Olympics in Paris. With this in mind, the children will be learning songs in French, looking at famous architecture and taking part in various sporting activities

The children will also be taking part in Sports Day and Drumming lessons.

### English

Our learning this term is taken from the book: The Once Upon a Time Map Book: Take a Tour of Six Enchanted Lands by B.G. Hennessy. We will be creating information texts about the imaginative settings described in the book, as well as writing a descriptive narrative about our own imaginative setting that we would add to the book. We will finish by publishing a guide that focuses on our transitional changes.

### Science

Our science learning this term is titled 'Amazing Changes'. This unit will compliment our PSHE learning, where we will be learning about how children develop.

### RE and PSHE

In RE, we will be looking at the beliefs and culture within Hinduism. We will be looking at Hindu rituals and beliefs about the afterlife.

In PSHE, we will be looking at how to keep our body healthy. Focussing particularly on our diet, exercise and care for ourselves in the sun.

Year 6 will focus on secondary school transition

### Topic:

This term the children will be exploring The city of Paris, past and present. They will do this with a Geography focus using the book 'A Walk in Paris'.

### Wow week:

In WOW week, our Design and Technology focuses on a food and creating a healthy, balanced diet.

Music – This term in music, the children will be learning about musical theatre. They will be learning about character actions through song.

### How can you help at home?

Please encourage your children to:

- Read daily, for 20 mins (please read to your child, as well as hear them)
- Learn their spelling words,
- Practice their multiplication tables.
